Dear Mrs. Brown:

I have promised James I would send you money each pay to be sure you received it on time. It is a little hard for him to get to the Post Office and fill out the necessary forms to get the Money Order, so I am doing it for him. From now on I am sure your check will be for a larger amount, but he of course had to buy some baseball equipment to get started, which has <sup>put</sup>rown him behind.

I do hope you and the Baby are well. If you have any snapshots of the Baby, we would all like to see how she is growing.

Very truly yours,
